## Welcome to the Coronation Ball:

The San Francisco Tavern Guild Foundation and the Emperor and Empress de San Francisco welcome all who are joining us tonight for Coronation '85 -- "XANADU - THE COURT OF KUBAI KHAN," the Coronation of Emperor and Empress de San Francisco.

We would like to take this opportunity to sincerely thank the community at large for the support given in the past to the Office of Emperor and Empress, a "camp" title created many years ago which has served mostly to raise funds for charitable causes in our community. The Office of Emperor and Empress has raised many thousand of dollars over the past years and we wish to thank all who have continued support through these most difficult times. We hope you will join the new Emperor and Empress in our effort toward strengthening our conviction to face the future with confidence and faith in our community.

Our Ball Committee has planned an evening of fun, entertainment, and good cheer for you tonight. Enjoy yourself; we are glad you are here.

Our very best wishes,  
*Russell A. Glenn*

# Greetings

February 9, 1985

On behalf of the people of the City and County of San Francisco, I am pleased to extend our warmest Greetings and Best Wishes to all of those attending the Coronation 1985 Ball being held in our City on Saturday, February 9, 1985 in our beautiful Japan Center Theater.

San Francisco is one of the most unique and wonderful cities in the world; a cornucopia of cultures that is rich beyond measure in diversity and which thrives on variety.

As Mayor of San Francisco, I am honored to welcome you and to have you as a guest in our very special city. Please enjoy yourselves tonight and have a wonderful visit.

  
Diane Feinstein  
Mayor

## Welcome to Coronation 1985

This is difficult for me to write since there is so much to say, so many people to thank, so many friends to acknowledge. The only way is simply to say:

### I Love You

San Francisco is very special to me, a third generation son of the "City That Knows How", I am proud of what the City represents to Gay men and Lesbians throughout the country. The Court System has been one of the springboards for the advancement of Gay rights. I am honored to have represented both the City and the Court of San Francisco.

For 19 years the Empresses and for 12 years the Emperors have been fortunate to bring many hard workers into the system – some have stayed, others have gone on to other things, but once involved, they can never forget. Being "royal" can be dismissed as superfluous today with so many other organizations in existence, but remember in addition to the social and charitable work we have done, we also have history and tradition on our side.

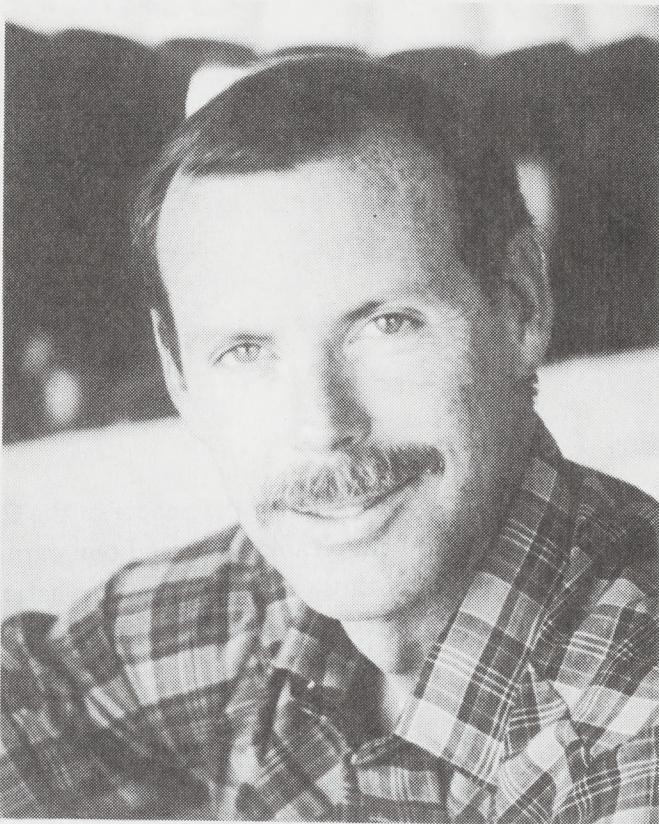

Whether you are from a small community or a large one, whether you are a member of a court or just a friend, remember we are all together in the struggle to survive as a community, and the Court System has always been a part of the fight.

To those of you from out of town: San Francisco is honored to be called "Everyone's Favorite City". I hope you agree. As a San Franciscan, let me say that pleasures abound in this city, and they are not all found in bars. I hope you will be able to enjoy the many other things we have to offer.

To Remy, my Wife of State: I have been privileged to have reigned with you. You did the Office and the City proud.

To Pat McGonigle, my lover of eight years: What can I say? The griefs, aggravations, frustrations this year must have seemed endless – yet you stayed. To say I love you is not enough, but a dictionary or a Thesaurus does not have the correct combinations of words to say it better.

To those I have pleased, I am grateful; to those I have disappointed, I apologize; to those who have left the system, you will be missed; to those who have stayed, thank you. To the City and people of San Francisco, I pledge my undying love and loyalty and continuing effort to make the City a better place for everyone.

Emperor of San Francisco

ALOHA!

Welcome to Coronation 1985 'XANADU - THE COURT OF KUBLA KHAN'. I encourage you to enjoy yourselves during tonight's festivities.

Having been elected and having served as San Francisco's Empress for the last 13 months has really been an honor and privilege. The successes and failures have only made me want to work harder for the betterment of our community and for the office of Empress.

I'd like to say a special 'Thank You' to Kimo Cochran, our Prime Minister for his untiring dedication to the Court; the members of the Council of Emperors & Empresses for the advice and encouragement; and to the members of the Cabinet & Court for their hard work.

There are countless individuals whom I personally wish to thank for their support, contributions and involvement. Without these people, the court trip could not have survived for the last 20 years. Working alongside and with these people has given me a sincere determination to continue to serve our community for as long as I am able. My thanks also to the many businesses for their generous contributions in support of our projects.

To all of my out-of-town friends: Mahalo Nui Loa for your love, hospitality and warm reception during my visits to your empires. Ross, Jovann, Stephanie Foxx, Bananas, Terry Taylor, Jessica Dragonette, Jack-E, Larry, Frank Scheckenberger, Cathy & Susie Apple, and Sam Haws . . . Monarchs all . . . and friends for life . . . Love you all!

To my Emperor Rich: I did it for both of us and for the offices. Glory to those who are not selfish, honor to the humble. Thank you for our year together.

To my roommate Joey: Thanks "T" for putting up with the phone calls, the mess, and for being my best critic. To my boss, Debi Walker: Your support and understanding helped me deal with it all.

Last . . . but not least . . . Thank You, San Francisco.

Mahalo & Aloha,

Empress de San Francisco
